When your pre-travel policy starts and ends

Policy B – Travel Policy

How your travel policy works

This insurance document shows the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim and how to contact the **24** hour emergency assistance service. It is essential that **you** read it. The policy is a contract between **us** and **you**. **We** will pay for any event, as set out in the policy, that happens during the period of cover for which **you** have paid the appropriate premium. **Your** travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for **365** days of the year. There is a maximum amount **you** can claim for each individual item and a maximum amount in total for **valuables**, and these are shown under the **personal possessions** section. The **personal possessions** section is *not* 'new for old' and an amount for age, wear and tear will be deducted. **Your** policy covers treatment of medical conditions in emergency and which will respond quickly to treatment. It is not intended to cover **you** for recurrent or long term treatment and in these circumstances, bearing in mind the advice given by **our** Chief Medical Officer, **we** reserve the right to transfer **you** to a state hospital, where adequate facilities are available, or repatriate **you** to **your home country**. If travelling to Australia **you** must register with Medicare on arrival. All numbers and letters shown under 'For each insured-person this insurance will not cover:' refer to the same numbers and letters under 'For each insured-person this insurance will pay:' Where no letters or numbers are shown it applies to the whole section.

When your travel cover starts and ends

The cover under all sections starts at the beginning of **your trip** as shown on **your** insurance certificate and ends on **your** return **home** or expiry of the policy, whichever is the first. No further **trips** are covered. Cover under Policy B, travel insurance, is extended to include 2 return trips to your home country for a period of up to **21** days per trip. When using the return home extension all cover is suspended on clearance of customs in your home country and restarts after the baggage check in at **your international departure** point for **your** return flight, international train or ferry to **your** overseas destination. All cover ceases if you have made a claim or intend to make a claim under the Curtailment section. All cover ceases following your return **home** if you have made or intend to make a **Curtailment** claim.

Extension of period

In the event of **your** death, injury or illness or that of anyone travelling with **you** or because of delay or failure of **public transport** services **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.

Change in medical condition or ongoing medication

If **your** health or **your** ongoing medication changes between the date the policy was bought and the date of travel **you** must advise Travellers HealthCheck on **08451 300 340** as soon as possible. **We** will advise **you** what cover **we** are able to provide after the date of diagnosis. **We** reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

What to do in the case of a medical emergency abroad

IN CASE OF SERIOUS EMERGENCY – first call an ambulance using the local equivalent of a **999** call. While **you** wait for the ambulance contact **our medical assistance service** which is open **24** hours a day and **7** days a week to offer **you** advice in this emergency situation. **We** strongly suggest **you** put their telephone number **+44 (0) 845 260 3 260** into **your** mobile phone before **you** travel so that it is to hand should **you** need it. Speak to the ambulance driver and get details of the hospital **you** are being taken to so that **our medical assistance service's** doctor will be able to obtain a medical report at the earliest possible opportunity.

WHAT THE MEDICAL ASSISTANCE COMPANY NEEDS FROM YOU - when **you** call **our medical assistance service** in an emergency **you** need to have some basic information for them to hand:

- **your** telephone number so **you** can be contacted on in case **you** are cut off
- the name and age of the patient and as much information about the medical situation as **you** are able to provide
- the name of the hospital, the ward, the treating doctor and the telephone numbers if **you** have them
- tell them that **you** have a Go Walkabout policy, the booking reference number, the date **you** bought it, the name of the branch and **your** booked travel dates
- the patient's UK GP details, name, address and phone number, in case they need to obtain information on current medical conditions and treatment..

MINOR ILLNESS OR INJURY - If **you** need to see a doctor in Europe or Scandinavia then ask **your** hotel reception or tour representative for the address of the nearest public medical facility. In Europe **you** should show them **your** EHIC card, medical treatment will be free or at a reduced cost and **you** will not be required to contribute towards the claim as the policy excess will be reduced to NIL. **You** will only be covered for the cost of private medical treatment in these countries if this is approved in advance by **our medical assistance service** on **+44 (0) 845 260 3 260** . Elsewhere it is advisable to seek advice on where to go for treatment from **our medical assistance service** if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin **your trip** by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for **our medical assistance service** to move **you** to a more suitable facility.

HOW TO PAY FOR YOUR TREATMENT - Outpatient bills for less than **£500** should be paid at the time and claimed on **your** return. It is very important to obtain an itemised receipt for any monies paid for medical treatment.

If **you** are admitted to a medical facility then **you** may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to Travel Claims Facilities at: PO Box 420, Hadlow, Kent, TN9 9DE, UK. **Our medical assistance service** will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of **your** claim has been established.

WHAT HAPPENS IF I MISS MY BOOKED FLIGHT DUE TO ILLNESS? – don't worry, provided **you** have contacted **our medical assistance service** **your** policy will be automatically extended to cover **you** until it is agreed that **you** are fit to travel **home**. **Our medical assistance service** will liaise with **your** treating doctor and **you** and once **you** are fit to travel, they will make appropriate alternative arrangements.

WHAT IF YOU WANT TO COME HOME EARLY? - This policy covers **you** to come **home** early because **you** are ill only if medical treatment is not available locally. If **you** are thinking of cutting short **your trip** because **you** are not well then **you** must contact **our medical assistance service** on **+44 (0) 845 260 3 260** for advice first. If **you** need to come **home** for any other reason, such as the illness of a **close relative** in the UK then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured. If **you** are not sure whether **your** particular circumstances are included in the cover then call **Travel Claims Facilities** on **+44 8453 707187** between **9.00** am and **5.00** pm UK time for advice.
