Accurate and relevant information

You have a duty to take reasonable care to answer questions fully and accurately, and that any information you volunteer is not misleading. This applies both when you take the policy out and at any time during the policy period. If you do not do so, we reserve the right to void your policy from inception. In the event that it becomes necessary to do this, we will give you seven days' notice of cancellation of the policy by recorded delivery to you at your last known address.

Because an insurance policy can only provide cover in respect of accident, illness, loss or damage for an event/occurrence which is sudden, unforeseen and beyond your reasonable control, you must also tell us if you are aware of any circumstances at the time you purchase this insurance, or at any time afterwards, which could possibly result in you having to make a claim; otherwise you may not be covered. You can do this by calling: [0845 230 7606](tel:08452307606)

We reserve the right to charge an additional premium, amend the policy terms, or decline to offer cover if we feel that the information you give us changes our assessment of the risk involved.

Our pledge to you

It is our aim to give a high standard of service and to meet any claims covered by these policies honestly, fairly and promptly. We occasionally get complaints and these are usually through a misunderstanding or insufficient information. Any complaint will be investigated at once and the matter resolved as quickly as possible.

You need to tell us anything you know that is likely to affect our accepting you for cover.

So that we can ensure you are provided with the best cover we can offer please read and answer the following questions carefully:

Have you, or anyone travelling with you ever had treatment for:

Change in health

If your health or your on-going medication changes between the date the policies were bought and the date of travel you **must** advise

as soon as possible. We will advise you what cover we are able to provide, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

BE AWARE!

We do not provide any cover for:

- Psychological conditions such as stress, anxiety, depression, eating disorders or mental instability.
- Claims caused by an existing medical condition of a non-travelling close relative or a close business associate or any recognised complication caused by the existing medical condition.
- Any circumstances that are not specified in your policies.

How your policies work

YOUR POLICY WORDINGS	<p>Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered);</p> <p>NOTE: cover is <u>only available for circumstances specified in the policy and if your circumstances do not fit that criteria then there is no cover in place.</u></p>
CANCELLING YOUR POLICIES	<p>You have a 'cooling off' period where, should you decide that you find that the terms and conditions do not meet your requirements and provided you have not travelled or claimed on the policy, you can advise Travel Administration Facilities within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14 day cooling off period, and can confirm that there have been no claims on the policy and that you have not travelled, in addition to a £15 administration charge; the following cancellation terms will be applied dependant on what type of policy you have purchased.</p> <p><i>Annual Multi Trip policies- Provided you have not made a claim (irrespective of whether your claim was successful or not) on the policy and you confirm in writing that there is no claim pending, should you choose to cancel and understand that all benefits of the policy will be cancelled, we will refund 5% of the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. If you are intending to, or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium.</i></p> <p><i>We reserve the right to give 7 days' notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances; fraud, suspected fraud, misleading information or deliberate misrepresentation, abusive behaviour to any of our staff or agents.</i></p>
BE CAUTIOUS	<p>This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage as if you had no insurance cover.</p>
PREGNANCY	<p>Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: <i>Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date.</i> Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance as regulations vary from one carrier/airline to another.</p>
MEDICAL COVER	<p>Your travel policy is not private health insurance, in that it only covers unavoidable emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. If you have an existing medical condition accepted by Travellers HealthCheck it is a requirement that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be given if travel is against the advice of your doctor.</p>
EHIC	<p>The European Health Insurance Card (EHIC) allows you (provided you are a UK resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it's valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil. If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx.</p>
MEDICARE	<p>If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.</p>
YOUR CONTRIBUTION	<p>Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses shown for this policy are payable by <u>each</u> insured-person, for each incident giving rise to a separate claim. Your contribution may be increased to include existing medical conditions confirmed in writing by Travellers HealthCheck. The increased contribution will apply to all persons insured on the policy whose claim has been caused by the declared medical condition. If an excess waiver has been paid then standard excess is not applied, however any increased medical excess is still applied in the event of a claim resulting from the condition/s it is attached to.</p>
OTHER POLICIES	<p>Your policy will not make any payment for any event that is more specifically covered by another insurance policy, and will only pay a proportionate amount of a claim where there is other insurance in force (such as Home Contents and All Risk insurance policies) covering the same risk, and we will require you to provide details of such other insurance.</p>
